Attn: Mail Stop DAC

Sir:

Pursuant to MPEP § 1481, Patentees petition that the requirements of 37 C.F.R. § 3.81 be waived to allow Patentees to correct Patentees' error in providing the name of the Assignee that is listed on the issued patent. The name of the Assignee that Patentees provided in item 5 of the issue fee transmittal form PTOL-85(b) was inaccurate due to an inadvertent clerical error. A "Request for a Certificate of Correction" under 37 C.F.R. § 1.323 is attached hereto.

If this Petition is granted, Applicants respectfully request that the file be forwarded to the Certificates of Correction Branch for issuance of a Certificate of Correction.

The issued patent lists "Human Genome Sciences, Inc., Rockville, MD (US)" as the assignee in item (73). In the attached Request for Certificate of Correction, we respectfully request that the co-assignee, "The Regents of the University of Michigan, Ann Arbor MI (US)" be added under item (73). The address of The Regents of the University of Michigan is 3003 South State Street, Ann Arbor, MI 48109-1274. The assignment is recorded at Reel

9653, Frame 71. A copy of the Notice of Recordation of Assignment Document, along with the Assignment is attached.

Accordingly, the naming of Human Genome Sciences, Inc. as the sole assignee was in error and the co-assignee is The Regents of the University of Michigan. This Petition is accompanied by payment of \$ 130.00 for the petition fee set forth in 37 C.F.R. § 1.17(h). The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,
